Sculpture en ivoire, Congo et discours colonial sous le règne de Léopold II (1885-1909)

Un « renouveau » de la sculpture éburrénienne s'opère en Belgique entre 1890 et 1910, avec la mise à disposition de défenses d'éléphant par l'État indépendant du Congo et le Roi Léopold II. De l'animal africain aux salons européens, l'ivoire est étudié à la lumière d'une déconstruction et d'une mise en perspective du discours colonial.

Wachsender Fels

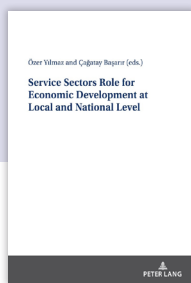

Der Vierströme- und der Trevibrunnen sowie die Fassade des Palazzo di Montecitorio – drei Werke des römischen Barock im Lichte der geologischen Wissenschaftsgeschichte 2., überarbeitete Auflage, 2. Ausgabe

Die geologischen Theorien des 17./18. Jahrh. stimmen darin überein, im Stein ein belebtes, auch «heute» noch wachstumsfähiges Wesen zu sehen. Die bizarren Felswucherungen an drei Hauptwerken des römischen Barock nötigen den Autor, die bisherigen Deutungen einer Revision zu unterziehen.

Service Sectors Role for Economic Development at Local and National Level

The book covers deep research from different perspectives upon the evolution of services by researchers who are professionals in their research areas. Moreover, different, and rigorous analyses of all areas influenced by service sectors were made to fill the gap of the source about the services with various dimensions.

Data driven decisions in enterprises – implications for business education and cases

The topic “Big Data” represents a major challenge for companies and there is an enormous need for “data intelligence” in order to use this information specifically for the competitiveness. This volume contains contributions on challenges, hurdles and examples in intelligent data structuring both in corporate practice and in teaching.

Alain Baudrit (éd.)

L'investigation collaborative : de la pratique d'enquête à la collaboration à distance

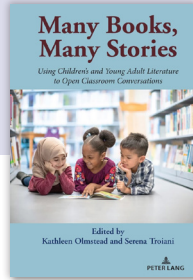

L'investigation collaborative prend forme sur la base d'une association qui unit un mode d'investigation, l'enquête, avec une modalité collective beaucoup plus récente : l'apprentissage collaboratif. Une nouvelle donne est toutefois identifiée dans l'usage des outils numériques, qui donnent lieu à des interactions à caractère hybride.

Academic Style Proofreading

An Introduction

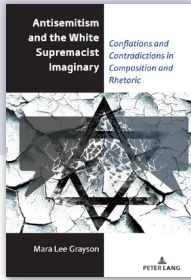

Academic style and its standards are often unclear to students and scholars. This book aims to unpack the concept of «academic style proofreading» using methodologies including terminology, corpus stylistics and error analysis, presenting common errors and possible proofreading solutions. For research, professional and educational use.

El Hamlet de Moratín (1798): El Neoclasicismo frente al mito

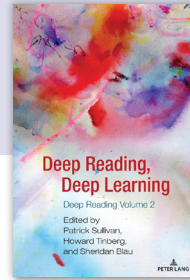

Sexo y género en la tragedia shakespeariana

Estudio en profundidad del lenguaje de índole sexual en la primera traducción española de *Hamlet*, de Leandro Fernández de Moratín. El análisis cualitativo, que se contextualiza ampliamente a lo largo del monográfico, se apoya en estudios de corpus de diversa índole, centrados, fundamentalmente, en cuestiones de género.

Documentary in Finland

History, Practice and Policy

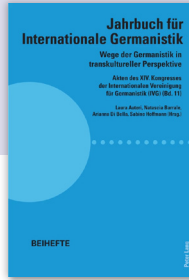

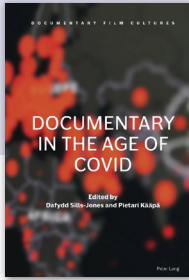

This book examines the ecology of Finland's documentary filmmaking milieu by framing and analysing a series of encounters with its most important financiers, producers and directors. What emerges is a portrait of an interconnected ecology of relationships and practices, typical of a small nation documentary cinema and of Nordic film cultures.

Oxford, 2023. VIII, 234 pp., 15 fig. b/w.

Documentary in the Age of COVID

This volume surveys the immediate effects of the onset of the COVID-19 pandemic in documentary film cultures and provides a space for unpacking the recent past and future of documentary in the context of the pandemic's effects. It reflects the value of documentary as an enduring and influential channel of media discourse and community of practice.

Enseñar lenguas extranjeras después de la COVID-19

Análisis y propuestas metodológicas

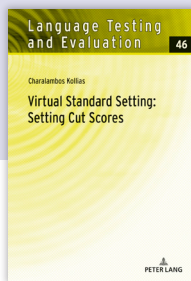

A research study carried out in 12 Spanish universities on the impact of confinement on the teaching of foreign languages is presented. In addition, research and good teaching practices are collected as a response to the difficulties experienced during confinement and which can continue to be implemented.

Virtual Standard Setting: Setting Cut Scores

The study investigated whether cut scores could be set in two synchronous e-communication media. The findings revealed that virtual cut scores set in both media were valid, reliable, and comparable to ones set in face-to-face environment and provides a framework for conducting and evaluating virtual cut score studies.

Mediatisierungslinguistik

Theorie und Fallanalysen zur Kommunikation von Politiker*innen am Beispiel von Twitter

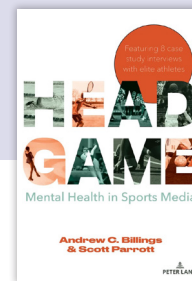

Öffentlich-politische Kommunikation findet zunehmend über Soziale Netzwerke wie Twitter, Facebook, Instagram etc. statt. Dieses Buch schlägt – mit einem Fokus auf das Dispositiv Twitter – einen mediatisierungslinguistischen Zugang vor, der die drei medienkulturell relevanten Ebenen Kommunikator, Kommunikat und Aneignung integrativ untersucht.

The Sound of Žižek

Musicological Perspectives on Slavoj Žižek

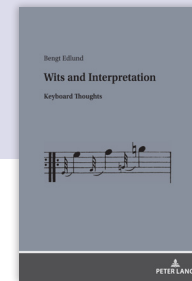

Over the last three decades Slavoj Žižek has become an iconic figure of *intellectual engagé* and his works have engendered ongoing reflection within as different academic disciplines as philosophy, literature or cultural, gender, postcolonial and film studies. But when it comes to music, things look different.

Wits and Interpretation

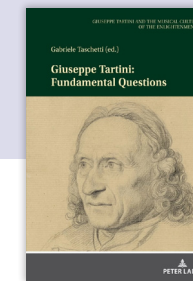

Keyboard Thoughts

This book offers critical demonstrations of various methods and concepts currently used in music analysis. Among the subjects are musical implications, tonal analysis, generative theory, ambiguity, similarity, and the key criteria met with in lawsuits of plagiarism. Finally, can a composer's sexual leanings be derived from his music?

Nietzsche's Philosophy of Nature and Cosmology

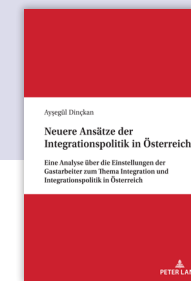

Second Edition

This book shows that Nietzsche's doctrine of the "eternal recurrence of the same" is an outgrowth of ideas found in Nietzsche's philosophy of nature, among them that space is Riemannian and that time is relative to events, not an independently existing continuum which underlies events.

Constitutionalism v Diversity

Essays on Federal Democracy

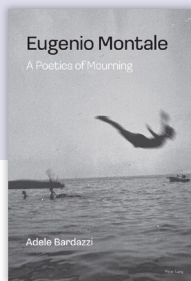

This book provides an in-depth analysis of how constitutionalism and diversity can be friends and foes alike in contemporary multinational democracies. By focusing mainly on the dynamics between Quebec and Canada and comparing these with ongoing issues in Europe, the authors offer new insights into the public management of national diversity.

Le corps de la lettre

La quête de la totalité dans la poésie d'Isidore Isou

Isidore Isou était âgé d'à peine dix-sept ans quand il s'est proposé de fonder le plus radical mouvement européen d'avant-garde: le lettrisme. En analysant son œuvre poétique, nous montrons que la lettre devient pour lui le garant d'une expressivité inédite et illimitée, aux confins du son et de l'image.

Littératures du faux

Entre imitation et contrefaçon, supercherie et mystification, la fiction contemporaine conduit ses lecteurs sur des sentiers semés d'embûches, et développe des régimes fondés sur le simulacre, l'inauthentique, l'erroné. Le volume ambitionne d'explorer cet imaginaire du faux et de mieux comprendre ses spécificités en regard de l'histoire littéraire.

Melancolía y depresión en la literatura hispánica

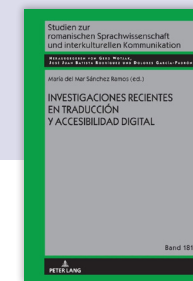

Este libro pretende abrir nuevas vías de investigación en épocas y autores hispánicos hasta ahora apenas estudiados desde el punto de vista de la melancolía. Algunos de los ejes temáticos son el amor, la enfermedad, la muerte y el suicidio, la mujer y los procesos de creación literaria.

Histórias de água

O imaginário marítimo em narrativas brasileiras, portuguesas e africanas

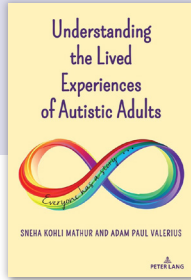

O imaginário da água é desdobrado em narrativas brasileiras, portuguesas e luso-africanas. Delineando os caminhos aquáticos como rios, mares, oceanos, transfigurados em metáforas da imaginação, da memória e dos trânsitos, propõe-se um possível mapa aquático que acolha alguns dos exemplos mais notáveis da literatura, do cinema e das artes visuais.

Understanding the Lived Experiences of Autistic Adults

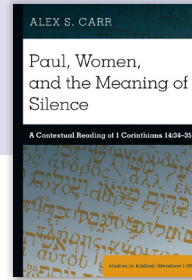

This book details a narrative study conducted through a social model of disability lens that centers voices of autistic individuals. By including autistic people in research design, implementation, and support services, academics and therapists can learn from the neurodivergent and move toward a more socially just praxis.

New York, 2023. XX, 228 pp., 1 b/w ill., 5 tables.

Alex S. Carr

Paul, Women, and the Meaning of Silence

A Contextual Reading of 1 Corinthians 14:34–35

This book will assist Bible scholars, pastors, and theological students in navigating some of key interpretive issues in 1 Corinthians. The book is one of the most extensive discussions of this challenging New Testament passage on women in the church.

New York, 2023. XXIV, 268 pp., 3 b/w ill.
